2 COMPETITION

2.1 Event Categories

Competitors will be placed in a division in which they compete against other athletes who are of similar experience and age. Competitors registered in kumite will also compete in divisions split based off weight class.

I. Individual Kata

Competitors will perform a kata of their choosing against an opponent. The winner of each bout will advance to the next round.

New for this competition: Non-Elite kata categories for ages under 12 years old will have both kata athletes perform in tandem. Flags will be used to judge these categories.

II. Team Kata

Competitors will compete as a team of three and perform a kata of their choosing simultaneously. The winning team of each bout will advance to the next round.

****All members of a team must be individually registered to compete. Teams with unregistered members will be ineligible for the Team Kata event.***

III. Individual Kumite

Kumite is the physical combat side of karate. Two competitors enter the ring and attempt to score points by striking scoring areas of their opponent.

2.2 Rules of Competition

The Karate NL 2026 Provincial Tournaments will be governed by the 2026 World Karate Federation (WKF) Competition Rules as adopted by Karate Canada. Some variations may apply.

Please ensure competitor finger and toenails are cleanly trimmed and any long hair is pulled back away from the face using a hair elastic. No metal clips or hard hair ties are permitted.

2.3 Mandatory Equipment

Equipment suppliers are reporting shortages in equipment supply. Therefore, the requirements for compulsory equipment listed below will be in full effect for the 2026 Provincial Championships which are tentatively scheduled for April 2026.

Per the October 2025 mandate from the WKF and Karate Canada, all equipment (including uniforms / gis) must be “WKF Approved”. “WKF style” equipment will no longer be accepted.

Competitors are responsible for ensuring they have the appropriate protective equipment required for their event, according to their age category. Please refer to Section 2.2 of the kumite competition rules linked above for complete details of the compulsory equipment.

Karate NL understands that providing all the compulsory equipment for an athlete may add a significant financial burden to some families. To help ease this burden and help ensure anyone who wants to compete can compete, Karate NL is in the process of procuring helmets and external bodyguards for athletes to use at provincial tournaments. This equipment will be in place by the time of the April 2026 Provincial Championships.

****Glasses are not permitted under any circumstance. Soft contact lenses may be used at the competitors own risk. Prescription sport glasses may be worn for kata only.***
